

## To clarify further:

If a visible and/or apparent defect exists upon your receipt and inspection of a door or doors from Summit Woodworking, it is imperative that we be notified before any further costs are incurred on that door or doors. ***We will not participate or assume any liability for those costs.***

Summit Woodworking will not be responsible for any door repaired or replaced without prior consent by our office.

Claims due to warpage may be deferred for up to 12 months from the date of claim in order to allow for conditioning and equalizing to humidity and temperature conditions.

Warp shall not be considered a defect unless it exceeds 1/4" in the plane of the door. For doors of greater size than 3/6 x 7/0 the 1/4" test is used in any 3/6 x 7/0 section of the door. Warp is measured by placing a straight edge or a taut string on the concave face and determining the maximum distance from the straight edge or string to the door face. Doors must be properly hung and finished in accordance with standard sealing and finishing practices ***in direct relationship to the exposure to be expected*** (see conditioning and handling). Unsatisfactory appearance and service due to failure to finish the door properly is not covered by this warranty.

**PAINTING A DOOR BLACK OR ANY VERY DARK COLOR CAUSES IT TO ABSORB HEAT AND DRY OUT. EXCESSIVE HEAT BUILD-UP AND LOSS OF MOISTURE WILL CAUSE WARPAGE AND/OR BOWING. CONSEQUENTLY, THE CHOICE OF ANY DARK COLOR SELECTIONS VOIDS OUR LIMITED WARRANTY WITH REGARD TO WARPAGE, BOWING, AND CRACKING OR SPLITTING.**

Variations in the colors of the wood or in the textures and grain of the wood are normal and are not considered a defect. Since most of our doors are made with solid lumber, the natural variations of color and grain characteristics are sometimes more prominent than in veneered products. However, it is our feeling that these natural color and grain variations are a part of the beauty of solid hand made wood doors.

All implied warranties here are limited to one year from the date of shipment unless otherwise specifically stated. This warranty gives you certain specific rights and you may have other rights which vary from state to state.
